

2025 AWWA STALLION ENROLLMENT FORM

Please read these instruction carefully.

Only the offspring of AWWA Enrolled Stallions are eligible for the Incentive Fund monies offered in the AWWA Ranch Challenge at the AHA U.S. National Championship show. By completing this form, all foals sired by the stallion named below that are born in 2026, are eligible to compete as 4-year-olds.

The following criteria apply:

- All stallions must be enrolled each year for the AWWA Incentive Fund program.
- Stallion owner agrees to provide the AWWA with one breeding to named stallion for the 2025 breeding season to be sold by a method of AWWA choosing in the 2025 Stallion Auction.
- The donated breeding is good for two years. If for any reason the mare does not settle and produce a live foal from the first year's breeding the mare owner can re-breed the mare (or a substitute mare) the next year. There is no charge for switching of mare.
- A copy of stallion's pedigree and current year breeding contract must be provided to AWWA. Stallion owners/agents are asked to provide a brief description of stallion for promotional purposes on the auction website.
- Stallion owners may purchase the donated breeding, but are not required to do so. All AWWA auction rules apply to purchase breeding. Mare designation must be received by AWWA prior to December 31st as stated in AWWA Mare Nomination Form.
- The AWWA is not responsible for any costs or agreements between the stallion owner and subsequent auction buyer. The AWWA solely provides a platform to sell stallion service.
- Enrollment fees are non-refundable.
- Enrollment fees are not transferrable to another stallion.
- Enrollment fee of \$150 (plus \$25 office fee) must accompany this form.

TOTAL STALLION ENROLLMENT FEE: \$175
